

CAMERON NEILSON

Dear Claire Kim,

I am extremely interested in applying for the position of A&R Representative.

I am a creative professional with over twelve years' experience as A&R, music manager, music supervisor and song writer. In 2020 I began consulting as music supervisor for Idyllwild Pictures, recently completing on the movie 'The Shuroo Process' (Executive Produced, by Zachary Quinto).

I am Scottish, born and raised, and relocated to Los Angeles eight years ago to pursue my creative career in the States (and enjoy the California lifestyle!)

Ever since I remember, I have been passionate about anything related to music. My comprehensive understanding of all facets of music and the craft, skills and workings of the artist and writer have been invaluable in my projects to date.

I would love to further my career in this position in particular that combines my heartfelt interests and skills. I believe I would be an excellent fit for HYBE for a long and fulfilling career.

I appreciate recruitment can be a time-consuming process, thank you for your time and consideration. I look forward to hearing from you.

Best regards,
Cameron Neilson
